Logo placement

Acceptable
variations

Do: use correct
format and colors

Do: use correct logo
and spacing

Don't: change object
positioning

Don't: Use different
logo or spacing

Don't: use unofficial
colors

Logo on background colors

The full color logos should only be used on very light or very dark backgrounds.

In cases where we need a single color glyph, please use only either Black or White for the glyph and the wordmark

Don't use the full color logo on top of a photograph or gradient unless it sits on a very light or very dark area of the image.
